Invitation to sponsor NAMBE events,

The Conference Committee would like to extend an invitation to all vendors interested in sponsoring an event at the 19th North American Conference on Molecular Beam Epitaxy that will take place October 16 through 18, 2000 at Arizona State University in Tempe, Arizona.

Vendors have always been an important part of the NAMBE meeting, and this year we are making a big effort to maximize the interaction between vendors and users. We are proposing a series of sponsorships at a cost of $500 each. For each sponsorship, you (the vendor) will receive mention in the final program and on a display card showing your name and logo during the sponsored event. The sponsorships are as follows:

- Welcoming reception: two sponsorships
- Continental breakfast: three sponsorships (one Monday, Tuesday, and Wednesday)
- Coffee breaks: five sponsorships (two Monday and Tuesday and one Wednesday)
- Lunch breaks: six sponsorships (two Monday, Tuesday, and Wednesday)
- Social hour before Banquet: two sponsorships
- Wine during the Banquet: one sponsorship
- Conference bag: five sponsorships
- NAMBE T-shirt: two sponsorships

These sponsorships are available on a first-come, first-served basis.

Interested companies should contact the conference coordinator:

Teresa Grider
